Welcome to the Y

Financial Assistance Scholarship Application

OUR MISSION: To put Christian principles into practice through programs that build a healthy spirit, mind, and body for all.

EVERYONE IS WELCOME: The YMCA welcomes all who wish to participate and believes that no one should be denied access to the Y based on their ability to pay. Through our Financial Assistance Membership Program, we provide assistance to youth, adults, and families based on individual needs and circumstances.

COMMITTED TO OUR COMMUNITY: Determining assistance amounts is handled by the YMCA in a fair and consistent manner. Every YMCA member receives the same membership benefits, regardless of whether or not they receive a scholarship. YMCA members can feel confident knowing that they are a part of an organization that cares greatly for the well-being of all people, and is committed to youth development, healthy living and social responsibility.

A scholarship reduces monthly membership fees, **it does not eliminate them**. Most scholarships will be granted for 12 months. Financial assistance is only granted once every 24 months depending on the demand of financial assistance applications. Membership fees are subject to change when you reapply. If you do not reapply, your membership will expire exactly 12 months from the date of activation.
